

Style House PR

Dear Blogger,

Thank you for your interest in working with Style House PR and the creative talent that we represent. We appreciate the variety and diversity of the inquiries we receive from bloggers interested in writing about our clients. We are always happy to send information and hi-res photography to anyone who is interested in learning more about our brands. Due to a large amount of interest in products for review, however, it is impossible for us to satisfy every inquiry. If you are interested in being added to our roster of consideration for product reviews, please help us by providing as much of the information below as possible and emailing it to rachel@stylehousepr.com.

We thank you again for your interest and appreciate the addition of your voice to the new media community.
